BACKGROUND: **Figgins Addition Neighborhood Association:**

A few neighbors attended the MSU President's Reception on May 26. It was a well-attended event and fun to have a chance to meet other neighborhoods and some of the President's Executive Team members. Figgins concerns expressed at the Q&A included stadium noise and increased traffic on the 7th service road due to Bootes development.

We had our annual meeting on May 27. Speakers included Chris Dobbs from MOR and Commissioners Fisher and Sweeney. We also elected new Steering Committee Members.

Monday June 1 We had a Walk with the Commissioners event with Commissioners Madgic and Fisher. Concerns around Kagy redevelopment project, increased use of 7th service road used as a cut through, traffic safety on 3rd, and Jarrett park improvements were some of the issues discussed.
