SUBJECT: Authorize the City Manager to Sign an Amendment 1 to a Professional Services Agreement with SCS Unlimited Inc. for Swim Center Interior Mural Installation

MEETING DATE: March 25, 2025

AGENDA ITEM TYPE: Agreement - Vendor/Contract

RECOMMENDATION: Authorize the City Manager to Sign Amendment 1 to a Professional Services Agreement with SCS Unlimited Inc. for Swim Center Interior Mural Installation

STRATEGIC PLAN: 5.2 Support for Public Art: Encourage and support partnerships for public art and other arts and cultural initiatives in the city.

BACKGROUND: The currently ongoing Bozeman Swim Center Renovation project includes a Percent for Art requirement. Working with the architect on the project, two different art installation locations have been identified and integrated into the project's design. One will be a series of eight panels with printed artwork on the western exterior wall of the building, and the other will be printed artwork vinyl laminated on the interior north wall of the natatorium. This agreement with SCS Wraps is to provide materials, printing and installation of the interior north wall artwork. The installation will be printed vinyl laminated to the CMU wall. This agreement does not include creation of the artwork itself, which will be procured through an RFQ/RFP process led by NINE dot ARTS. SCS Wraps was one of two companies to provide quotes for this work, and was selected as the lowest cost respondent. The art installation is expected to occur in April, 2025. Amendment 1 of this agreement is to increase the overall size of the installed graphics as well as incorporate die cut edges to make use of negative space as part of the artwork as requested by the art selection committee. Acceptance of this amendment will result in a more immersive and engaging art installation which will be prominently featured in the Swim Center.

UNRESOLVED ISSUES: None at this time.

ALTERNATIVES: As suggested by City Commission.

FISCAL EFFECTS:

This contract will incur a fixed cost of \$10,074. This is an increase of \$3,524 to be paid from the Swim Center Renovation Project fund.
