

Memorandum

REPORT TO: City Commission

FROM: Taylor Lonsdale, Transportation Engineer
Nicholas Ross, Director of Transportation and Engineering

SUBJECT: Authorize the Application to the Montana Department of Transportation for Transportation Alternatives Program Funding for the ADA Upgrades and Pedestrian Crossing Safety Improvements Project

MEETING DATE: April 22, 2025

AGENDA ITEM TYPE: Grant

RECOMMENDATION: Authorize the Application to the Montana Department of Transportation for Transportation Alternatives Program Funding for the ADA Upgrades and Pedestrian Crossing Safety Improvements Project

STRATEGIC PLAN: 4.5 Housing and Transportation Choices: Vigorously encourage, through a wide variety of actions, the development of sustainable and lasting housing options for underserved individuals and families and improve mobility options that accommodate all travel modes.

BACKGROUND: City Transportation and Engineering Staff are applying to the Montana Department of Transportation for Transportation Alternatives Program funding. The funding will be used to make improvements at a number of locations around the city. The proposed project includes upgrading sidewalks and curb ramps to comply with the Americans with Disabilities Act (ADA), installing ADA compliant facilities at existing Streamline stops, and installing enhanced safety elements at crosswalks on arterial and collector streets. Project locations focus on connectivity and access to parks and schools.

UNRESOLVED ISSUES: None.

ALTERNATIVES: None identified.

FISCAL EFFECTS: The proposed budget for the project is \$789,674. The Transportation Alternatives Program funding requires a local match of 13.42% or \$105,974. The funds for this match will come from STR20 Annual Multimodal Improvements.
