

Memorandum

REPORT TO: Study Commission

SUBJECT: Make Your Voice Heard: Shape the Future of Bozeman Local Government

MEETING DATE: October 2, 2025

AGENDA ITEM TYPE: Citizen Advisory Board/Commission

RECOMMENDATION: The Bozeman City Study Commission wants to hear from you! This survey is your chance to share your experiences, priorities, and ideas about how our city government works today—and how it could serve residents better in the future. Your input will help the Bozeman City Study Commission understand what's working, what's not, and what changes may be needed as Bozeman grows.

The survey should take about 10 minutes to complete, and all responses are confidential.

Why it matters: This is the first and broadest step in a two-year study of Bozeman's city government structure. The feedback you provide will directly inform community workshops, public meetings, and open houses in the months ahead.
