REPORT TO: City Commission

FROM: Jeff Mihelich, City Manager

SUBJECT: Resolution 5257, Adopting the Bozeman City Commission Priorities for 2021

MEETING DATE: February 2, 2021

AGENDA ITEM TYPE: Resolution

RECOMMENDATION: Approve Resolution 5257, adopting the Bozeman City Commission Priorities for 2021.

STRATEGIC PLAN: 4.1 Informed Conversation on Growth: Continue developing an in-depth understanding of how Bozeman is growing and changing and proactively address change in a balanced and coordinated manner.

BACKGROUND: In April 2018, the Bozeman City Commission adopted its first ever Strategic Plan. Since then, the City Manager has come before the City Commission regularly to review the progress made on the priorities outlined in the Strategic Plan and set goals for the upcoming year.
On January 12, 2021 the City Commission held a work session to receive the status report of the Commission's 11 priorities. The City Manager recommended the removal of two of the completed priorities, the modification of two priorities that are ongoing, and to keep the remaining seven. During the discussion, the City Commission proposed an additional four priorities be added to the list.
After gaining direction from the City Commission, staff prepared a resolution for the Commission to formally adopt the priorities for 2021 at a future meeting.
