

# Memorandum

**REPORT TO:** City Commission

**FROM:** Bob Murray, Project Engineer  
Shawn Kohtz, City Engineer  
Mitch Reister, Public Works Director

**SUBJECT:** Authorize the City Manager to Sign an Amendment Two to the Professional Services Agreement with Sanderson Stewart for the Story Mill Road Reconstruction from Bridger to Griffin and Bridger/Story Mill Intersection Improvements Project

**MEETING DATE:** February 2, 2021

**AGENDA ITEM TYPE:** Agreement - Vendor/Contract

**RECOMMENDATION:** Authorize the City Manager to sign an amendment two with Sanderson Stewart.

**STRATEGIC PLAN:** 4.3 Strategic Infrastructure Choices: Prioritize long-term investment and maintenance for existing and new infrastructure.

**BACKGROUND:** Attached is a copy of the partially executed Amendment No. 2 with Sanderson Stewart for the Story Mill Road Reconstruction from Bridger to Griffin and Bridger/Story Mill Intersection Improvements Project. The document is in the City's standard format.

The original professional services agreement for the project only included the predesign task. That task compared the installation of a roundabout and a signal at the intersections and the corridor recommendations for buildout of the street. The first amendment added the wetland delineation and geotechnical evaluation services to the project. This amendment is to add the design phase services for the section of road. This includes widening of the road, installation of a signal at the intersection, installation of the shared use path and sidewalk, bike lanes, storm drainage improvements and installation of street lighting.

**UNRESOLVED ISSUES:** None.

**ALTERNATIVES:** As suggested by the City Commission.

**FISCAL EFFECTS:** \$92,275.00 from Street Impact Fee Fund (projects SIF116 and 117).
