

Memorandum

REPORT TO: City Commission

FROM: Alex Newby, Deputy City Clerk
Mike Maas, City Clerk

SUBJECT: Confirm Stormwater Program Specialist, Frank Greenhill's, Appointment to the Gallatin Local Water Quality District Board

MEETING DATE: March 3, 2026

AGENDA ITEM TYPE: Citizen Advisory Board/Commission

RECOMMENDATION: Confirm Stormwater Program Specialist, Frank Greenhill's, Appointment to the Gallatin Local Water Quality District Board

STRATEGIC PLAN: 1.3 Public Agencies Collaboration: Foster successful collaboration with other public agencies and build on these successes.

BACKGROUND: The Gallatin Local Water Quality District mission is:
"To protect, preserve and improve groundwater and surface water quality within the Gallatin Local Water Quality District.
The focus of the Gallatin Local Water Quality District is on water resources education and water quality monitoring for increased awareness of water-related issues and public health."

In 2010, the City of Bozeman adopted [Ordinance 1763](#) "to establish standards and procedures to ensure effective, efficient and consistence means of preventing injury, damage, and expense from storm water...and its provisions be applicable to any activity by any individual or entity engaging in the disposal of any pollutant that has the potential to adversely impact the water quality of watercourses, water bodies, or groundwater."

In his professional capacity, Specialist Greenhill is uniquely positioned to represent the City in the efforts of the District Board.

Utilities Director, Shawn Kohtz, supports the appointment.
