

Memorandum

REPORT TO: City Commission

FROM: Taylor Lonsdale, Transportation Engineer
Nicholas Ross, Director of Transportation and Engineering

SUBJECT: Authorize the City Manager to Sign the City of Bozeman FY24 Safe Streets and Roads for All Grant Agreement with the Federal Highway Administration

MEETING DATE: January 6, 2026

AGENDA ITEM TYPE: Agreement - Legal

RECOMMENDATION: Authorize the City Manager to Sign the City of Bozeman FY24 Safe Streets and Roads for All Grant Agreement with the Federal Highway Administration

STRATEGIC PLAN: 4.5 Housing and Transportation Choices: Vigorously encourage, through a wide variety of actions, the development of sustainable and lasting housing options for underserved individuals and families and improve mobility options that accommodate all travel modes.

BACKGROUND: The City of Bozeman applied for and was awarded an FY2024 Safe Streets and Roads for All (SS4A) Grant through the Federal Highway Administration. The grant award is to supplement the funding for a Comprehensive Safety Action Plan and demonstration activities that include the installation of advanced safety data collection equipment in four existing traffic signals. The equipment procured through the grant funding will collect data on speeding, red light running, and near misses. This data will be incorporated into the safety plan as well as being used to identify focused enforcement opportunities. The FY24 grant award also includes demonstration funds to implement a safety data platform. This comprehensive platform will increase the city's ability to track and analyze safety data. It will enable enhanced visualization of crash and other data that will be utilized in the development and evaluation of the safety plan and future safety projects. The combined cost of the supplemental planning and the added demonstration activity is \$344,000.

UNRESOLVED ISSUES: None.

ALTERNATIVES: None identified.

FISCAL EFFECTS: The grant award requires a twenty percent local match. The federal grant award is \$275,200 and the local match is \$68,800. The funding for the local match is included in the approved FY25-26 Arterial and Collector District biennium budget.
