AGENDA ITEM TYPE: Agreement - Vendor/Contract

RECOMMENDATION: Authorize the City Manager to Sign Amendment 001 to Professional Services Master Task Order Agreement with TD&H for Engineering Services

STRATEGIC PLAN: 4.3 Strategic Infrastructure Choices: Prioritize long-term investment and maintenance for existing and new infrastructure.

BACKGROUND: The Facilities Dept. regularly uses general contractors and specialty trades contractors for projects related to facilities management and maintenance under our term contract program. UNRESOLVED ISSUES: None at this time

ALTERNATIVES: As suggested by City Commission

FISCAL EFFECTS: Services provided under these term contracts will be provided at the pre-negotiated rates as stated in the Scope of Services for each contract. Services are to be provided on an 'as-needed' basis and individual project expenses are to be project specific with projects initiated via task order. Total contracted project costs are to be \$79,999 or less per the City of Bozeman Purchasing Policy.
