REPORT TO: City Commission

FROM: Jenny Connelley, Engineering Tech
Shawn Kohtz, City Engineer
Mitch Reister, Director of Public Works

SUBJECT: Resolution 5241, a Resolution of Intent of the Bozeman City Commission to Change the Street Name of Campus Boulevard to Stucky Road

MEETING DATE: December 22, 2020

AGENDA ITEM TYPE: Resolution

RECOMMENDATION: Adoption of Resolution #5241, a Resolution of Intent of the Bozeman City Commission to change the street name of Campus Blvd to Stucky Rd.

STRATEGIC PLAN: 4.1 Informed Conversation on Growth: Continue developing an in-depth understanding of how Bozeman is growing and changing and proactively address change in a balanced and coordinated manner.

BACKGROUND: On March 28, 2014, a plat was filed titled South University District Phase 1 Minor Subdivision. On June 29, 2017, a plat was filed titled South University District Phase 2 Minor Subdivision. As noted on the plats, "...the lands included in all streets, avenues, alleys and parks or public lands shown on said plat are hereby granted and donated to the City of Bozeman for public use and enjoyment". One of the roads shown on both plats is Campus Blvd. It is being recommended to change the street name of Campus Blvd to Stucky Rd as it aligns with the existing portion of Stucky Rd. This change will provide consistency with our street network and follows Strategic Plan Item 3- A Safe, Welcoming Community, as well as Strategic Plan Item 4 – A Well Planned City.

UNRESOLVED ISSUES: None Identified

ALTERNATIVES: As suggested by the City Commission.

FISCAL EFFECTS: Cost of replacing the street name markers is estimated to be \$500.
