Grant limited street closure authority to City Manager, to expire June 30, 2020.

ITEM BACKGROUND:

On May 12, 2020 City Council approved a street closure request on Piedmont Avenue to allow expanded outdoor dining for Burger Bar and Quaker Steak. The City Manager is requesting that City Council grant him the authority to authorize similar street closures through June 30, 2020, limited to Piedmont Avenue, Moore Street, and Birthplace of Country Music Way, to support local businesses as they begin to reopen following COVID-19 shutdowns. These closures will not change any restrictions, such as occupancy limits, required by the Governor or any other agency.
