ACTION/MOTION: (This language identifies the formal motion to be made by the Council)
Council to to take action to accept, approve, and execute the terms of a grant award from the Arizona State Library, Archives and Public Records, State Grants-in-Aid Program, to support a portion of the Buckeye library's Brainfuse database in the amount of \$4,754, with a required match of \$4,754 from the City of Buckeye; and authorize the Mayor, City Manager, City Attorney, and City Clerk to take the steps necessary to carry out the terms of the grant award.

SUMMARY

PROJECT DESCRIPTION:

The City of Buckeye has applied for and received an award for funding through the Arizona State Library, Archives & Public Records - State Grants-in-Aid program in the amount of \$4,754. The total project cost is estimated at \$9,508, with the City contributing a required \$4,754 match. These funds will be used to enhance library services by supporting the Brainfuse database.

Brainfuse database will provide the Buckeye community with equitable access to high-quality educational and career resources. Through services such as live tutoring for K-12 and college students, adult learning programs including GED preparation and citizenship support, and career services like resume assistance and interview coaching, residents are equipped with tools to achieve academic success and strengthen workforce readiness. The expected outcome is a more empowered community where individuals of all ages have opportunities to advance their education, prepare for career growth, and engage in lifelong learning.

BENEFITS:

Supporting the Brainfuse database provides the Buckeye community with valuable educational and career resources. Brainfuse offers live tutoring for K-12 and college students, adult learning support such as GED, citizenship preparation, and career services, including resume assistance and interview coaching. By ensuring free and equitable access to these resources, the city helps promote academic success, workforce readiness, and lifelong learning opportunities for all residents.

FUTURE ACTION:

Any costs or expenditure not covered by this funding will be supported through the Library's General Fund, unless additional grant opportunities become available, which the Grants Team will actively pursue.
