DEPARTMENT: Public Works	AGENDA ITEM TYPE: Consent Agenda Items / New Business

ACTION/MOTION: (This language identifies the formal motion to be made by the Council)
 Council to take action on Delivery Order No. 4 to the Job Order Contract (JOC) (No. 2025083) between the City of Buckeye, an Arizona municipal corporation, and Sunland Construction LLC, a Delaware limited liability company, for public roadway repairs, reconstruction of existing roadway pavement sections within Palo Verde Road; and authorize the City Manager to execute said Delivery Order on behalf of the City of Buckeye.

SUMMARY

PROJECT DESCRIPTION:

On the evaluated roadway, age, weather and traffic elements have caused pavement deterioration and full depth repairs along with subgrade stabilization are required. The Public Works Streets Department has recommended that the identified damaged pavement location be repaired by removing the damaged asphaltic concrete, stabilizing the subgrade, then replacing it with new asphaltic concrete.

BENEFITS:

This pavement reconstruction project addresses underlying structural issues by removing and repairing the existing subgrade and base layer degradation. This project will significantly reduce the risk to the traveling public by addressing the degradation and displacement of existing pavement. In addition to improving safety, this project will enhance the overall quality of the travel experience, and the pavement restoration will reduce maintenance costs for the city.
