SUMMARY

PROJECT DESCRIPTION:

The City encourages community involvement in our programs through our boards and commissions. Several Board and Commission members have completed their first term and are eligible for an additional term. Reappointments have been recommended for eligible members. Removals have been recommended for members that have resigned or are ineligible for reappointment because they have served two consecutive terms as regular members, they do not wish to serve another term, or they are no longer attending meetings. New members are appointed as vacancies occur and applications demonstrating eligibility are received and reviewed by Council and staff. Members are appointed and serve at the pleasure of Council.

Boards and Commissions applications are available for review in the Office of the City Clerk.
