ACTION/MOTION: (This language identifies the formal motion to be made by the Council)
Council to take action to ratify and approve a funds transfer from the Public Works Administration - Other Equipment budget to Public Works Administration - Professional Services budget.

GOALS AND OBJECTIVES FOR THE STRATEGIC PLAN FOCUS AREAS:
Infrastructure

SUMMARY

PROJECT DESCRIPTION:

An assessment of the existing street light infrastructure found that many of the City's street light poles are nearing the end of their service life and showing signs of rust and structural deterioration. This project enables the City to partner with a contractor to begin replacing aging poles and improve overall roadway safety, reducing long-term maintenance costs by replacing outdated infrastructure with more durable materials, and improves system reliability reducing service disruptions caused by failing equipment.

BENEFITS:

Ratification of the budget transfer will allow Public Works to move forward with replacing damaged street light poles throughout the city, resulting in safer roadways for the public while reducing liability exposure.

FUTURE ACTION:

The Public Works Department will coordinate with Procurement to establish a contract and the issuance of a Purchase Order.

FINANCIAL IMPACT STATEMENT:

Budget authority for the street light pole replacement will be transferred from capital to operating within Public Works. No additional budget authority is required. No capital projects will be delayed due to this transfer.
