ACTION/MOTION: (This language identifies the formal motion to be made by the Council)
 Council to take action to ratify and approve the submission of a \$473,309.89 Fiscal Year 2026 PM-10 Certified Street Sweeper Grant Application through the Maricopa Association of Governments for the purchase of one new PM-10 Certified Street Sweeper; and authorize and direct the Mayor, City Manager, City Attorney, and City Clerk to carry out the purpose and intent of said Grant Application.

SUMMARY

PROJECT DESCRIPTION:

The City of Buckeye Public Works Department needs one new PM-10 Certified Street Sweeper to ensure Buckeye's streets are free of debris that may be harmful to the environment and humans. Buckeye Public Works seeks to replace one of its current street sweepers that is reaching the end of its useful life, as well as expand its current street sweeping service area, as more streets have been added to the City's portfolio. The street sweeper will service arterial, collector, and residential roadways. The grant request is for \$438,111.18 with a required City match of \$35,198.71. The total cost is \$473,309.89.

BENEFITS:

The street sweeper will support Buckeye Public Works' Street Sweeping program by adding a new PM-10 Certified Street Sweeper to the seven current street sweepers in their fleet and replacing an eight-year-old street sweeper. The new replacement and expansion sweeper will initially reduce maintenance costs, which, as of 9/24/2025, Buckeye Public Works has spent \$99,030.34 for labor, parts, and outside labor to keep the 2017 sweeper running. The 2017 sweeper has been out of service 35% of the time within the last 12 months, and the replacement sweeper will reduce these downtimes. If awarded, the additional sweeper will ensure that Buckeye Public Works can continue to provide excellent service to the community by removing harmful debris from Buckeye's streets.

FUTURE ACTION:

If awarded, the Award Agreement will be presented to Council for acceptance and approval. Any additional street sweeper needs will come from Buckeye Public Works' general fund account unless additional grant funding opportunities become available, in which the Grant team will pursue.

FINANCIAL IMPACT STATEMENT:

The Federal grant portion is \$438,111.18. There is a \$35,198.71 city match required for this grant. Any additional cost will be covered by Buckeye Public Works' general fund.
