**ACTION/MOTION:** (This language identifies the formal motion to be made by the Council)  
Council to take action on Resolution No. 03-26 approving Amendment No. 1 to the Intergovernmental Agreement (IGA) between the State of Arizona, by and through its Department of Transportation and the City of Buckeye, to remove the scope of work related to the Warner Street Bridge.

---

**SUMMARY**

---

**PROJECT DESCRIPTION:**

State Route 85 (SR 85) is a four lane divided roadway from Interstate 10 south across the Gila River. The existing IGA between the State of Arizona and then Town of Buckeye included the construction of the East and West Connector roadways north of Broadway Road and the construction of a bridge over the SR 85 along the Warner Street alignment. The East and West Connector roadways were completed by the Town years ago. The construction of the bridge was to be a joint project between the City, Developer and Arizona Department of Transportation (ADOT). The Developer has decided they no longer desire to install the bridge due to changes in the remaining portions of their development. ADOT and the Maricopa Association of Governments (MAG) have reallocated the funding associated with the Warner Street Bridge to the SR 85/Broadway Road intersection improvements (scheduled for construction in MAG FY 28).

**BENEFITS:**

This is an amendment to a previously approved IGA, as such there is no tangible benefit associated with the approval of this IGA Amendment No. One.
