**ACTION/MOTION:** (This language identifies the formal motion to be made by the Council) Council to take action on the Cooperative Contract Purchase Addendum (CCPA) (Contract no. 32500084) between the City of Buckeye, an Arizona municipal corporation, and Axon Enterprises Inc., a Delaware corporation, for the purchase of body worn cameras and accessories used as public safety equipment and software for the Police Department; and authorize the City Manager to execute and deliver said CCPA on behalf of the City of Buckeye.

---

**SUMMARY**

---

**PROJECT DESCRIPTION:**

The Police Department seeks to establish a CCPA contract No. 32500084, with Axon Enterprises Inc. for body-worn cameras and accessories for Fiscal Year 2026. This contract will provide equipment to outfit officers with body-worn cameras and software, enabling the department to document public interactions and critical incidents during police operations within the City of Buckeye.

The deployment of body-worn cameras (BWCs) and related accessories by the police department serves multiple key purposes. These broadly align with improving transparency, strengthening accountability, enhancing evidence collection, increasing safety for both officers and the public, and building community trust.

**BENEFITS:**

- Record significant events such as arrests or use-of-force incidents.
- Reduce unfounded complaints through objective video evidence.
- Accelerate and improve the accuracy of internal investigations.
- Support better decision-making and conduct under pressure.
- Monitor adherence to department protocols.
- Streamline courtroom processes by providing firsthand visual accounts.

**FUTURE ACTION:**

Buckeye Police Department will issue a purchase order using appropriated funds to procure the BWC and accessories at the not to exceed amount.

**FINANCIAL IMPACT STATEMENT:**

The total cost for the purchase of BWCs, accessories, and associated services through a CCPA contract with Axon Enterprises Inc. is \$486,498.67 for Fiscal Year 2026. Funding for this purchase is available and budgeted in the Police Department's FY26 GL public safety equipment and software budget. This investment includes hardware, software licensing, data storage, maintenance, and training.

Budgeted between:

10002121-521509

10002121-520030
