SUMMARY

PROJECT DESCRIPTION:

Street Lighting Improvement Districts (SLIDs) are established with the approval of the City Council. The Council serves as the Governing Board of the SLID and the City administers the operations of the SLID which are for the purpose of operating and maintaining street lighting located within the SLID. By Arizona law, SLIDs cannot incur debt. The assessment is imposed on each property within the District and is collected through the Maricopa County property tax system. The projected amount for revenues and expenditures, for all SLIDs, is \$565,700 for Fiscal Year 2025-2026.
