ACTION/MOTION: (This language identifies the formal motion to be made by the Council)
 Council to take action on Resolution No. 76-25 ordering the work as described in Resolution No. 75-25; ordering the formation of City of Buckeye Maintenance Improvement District No. MID-2025-006; and ordering the recording and filing of this Resolution.

SUMMARY

PROJECT DESCRIPTION:

Per Resolution No. 76-25, this request is for the formation of a Maintenance Improvement District (MID) No. MID-2025-006 for the San Madera Development and ordering the recording and filing of this Resolution.

BENEFITS:

Both Maintenance Improvement Districts (MIDs) and Street Lighting Improvement Districts (SLIDs) provide for the benefit of ensuring that there is a balance of revenue and expenditures to provide for the quality of life for the residents/owners of a particular development without an undue burden upon the existing community. MIDs are established in accordance with Ordinance #42-06 and assess the owners within a development for the cost of maintenance of the landscaping along the rights-of-ways within a development MID. MIDs are not activated unless the development's owners should fail or otherwise go out of business, since the owner is charged with that maintenance responsibility; however, the MID is standing by as a protection for the City to ensure that there is adequate revenue to take on the maintenance.

FUTURE ACTION:

There will be no further action necessary, unless the responsible owners within a development should dissolve. At that time, in accordance with applicable State law, the MID will be activated through separate action of the City Council.
