SUMMARY

PROJECT DESCRIPTION:

Per Resolution No. 40-25, Council to accept a Petition, Waiver, and Consent to the Formation of a Maintenance Improvement District (MID) for the Hayden Estates subdivision; declare the intention to form a MID; designate such District as "City of Buckeye Maintenance Improvement District No. MID-2025-005"; and provide for the annual levy of taxes or an annual assessment against the lots within the District in proportion to the benefits received.

BENEFITS:

Maintenance Improvement Districts (MIDs) and Street Lighting Improvement Districts (SLIDs) are implemented to maintain a balance between revenue and expenditures, ensuring a high quality of life for residents and property owners within a development without imposing and undue burden upon the broader community. MIDs are established in accordance with Ordinance #42-06 and assess the owners within a development for the cost of maintenance of the landscaping along the rights-of-ways within a development MID. MIDs are not activated unless the development's owners should fail or otherwise go out of business, since the owner is charged with that maintenance responsibility; however, the MID is standing by as a protection for the City to ensure that there is adequate revenue to take on the maintenance.

FUTURE ACTION:

A Resolution creating the City of Buckeye Maintenance Improvement District No. MID-2025-005 follows on the current agenda. There will be no further action necessary, unless the responsible owners within the development should dissolve. At that time, in accordance with applicable State law, the MID will be activated through separate action of the City Council.
