ACTION/MOTION: (This language identifies the formal motion to be made by the Council)
 Council to take action on the Public Improvements In-Lieu Payment Agreement between the City of Buckeye, an Arizona municipal corporation, and Barclay Holdings CXVI, LLC, an Arizona limited liability company; and authorize the City Manager to execute and deliver said Agreement on behalf of the City of Buckeye.

SUMMARY

PROJECT DESCRIPTION:

As part of its development of land generally located at the southeast corner of Miller Road and Broadway Road, known as the Heritage West Commercial development, Barclay Holdings is required to construct certain right-of-way improvements, including off-site medians and landscaping improvements within Miller Road and Broadway Road. As Miller Road and Broadway Road are not built out to their ultimate condition, installation of the medians and landscaping improvements would result in damage and removal of the improvements. Owner has requested, and the City has agreed, that rather than Owner immediately constructing the Off-Site Improvements, Owner may make the In-Lieu Payment, in a single lump sum in the amount of \$266,084.75, to the City as full satisfaction of the Owner's obligation to construct the Improvements. The City shall hold such In-Lieu Payment funds until such time as the funds are applied by the City to the cost of construction at the time the City constructs or causes to be constructed, the Improvements. The Public Improvements In-Lieu Payment Agreement memorializes the terms and conditions related to the payment.
