Council to take action on the Buckeye 2025 Transportation Master Plan.

SUMMARY

PROJECT DESCRIPTION:

The current City of Buckeye Transportation Master Plan was adopted by City Council in 2019. The Buckeye 2025 Transportation Master Plan will continue to guide the City in the development of future transportation related items – streets, freight, rail, aviation, transit, intelligent transportation system (ITS) -- and active transportation (bike/pedestrian). The City of Buckeye retained Wilson & Company to prepare the update to the City's Transportation Master Plan.

BENEFITS:

The Buckeye 2025 Transportation Master Plan will provide guidance to the City, as well as developments, in the planning, designing and construction of transportation facilities within Buckeye.

FUTURE ACTION:

The Buckeye 2025 Transportation Master Plan is required to be updated every five to six years and will be brought back to council for approval of the updates.
