

CITY OF BUCKEYE
Regular Council Meeting
COUNCIL ACTION REPORT

MEETING DATE: 04/07/26	AGENDA ITEM: 4.P. PMO - IGA - Miller Rd ITS
DATE PREPARED: 04/08/26	DISTRICT NO.: All
STAFF LIAISON: John Willett, Deputy Director of Transportation, jwillett@buckeyeaz.gov, (623) 640-6317	
DEPARTMENT: Program Management Office	AGENDA ITEM TYPE: Consent Agenda Items / New Business

ACTION/MOTION: (This language identifies the formal motion to be made by the Council)
 Council to take action on Resolution No. 31-26 approving Amendment No. One to Intergovernmental Agreement IGA No. 24-0010903-I between the City of Buckeye, an Arizona municipal corporation, and the State of Arizona, relating to improvements along Maricopa County Route 85 and Miller Road; and authorizing the Mayor to execute and deliver Amendment No. One to Said Agreement.

GOALS AND OBJECTIVES FOR THE STRATEGIC PLAN FOCUS AREAS:
 Infrastructure

SUMMARY

PROJECT DESCRIPTION:

In July of 2025, the City and IGA entered into an Intergovernmental Agreement (IGA), to install conduit and fiber optic cable along Miller Road from Pima Street South to MC 85 (Monroe Avenue) and Monroe Avenue from Miller Road East to Eason Avenue, including the connections to thirteen existing traffic signals. The City is not self-certified to administer federally funded grants; therefore, the City entered into an IGA with the Arizona Department of Transportation (ADOT) so they can administer the project for the City. With the increase in construction costs since the Grant funding was originally awarded to the City through Maricopa Association of Governments (MAG), the City pursued and was awarded additional funding. This is Amendment No. One to the IGA to increase the total construction costs, including the City's share and the Federal share.

ADOT will administer the construction of a City designed project to install conduit and fiber optic cable along Miller Road from Pima Street South to MC 85 (Monroe Avenue) and Monroe Avenue from Miller Road East to Eason Avenue, including the connections to 13 existing traffic signals. This is in relation to the City's Capital Improvement Program (CIP) Project No.101760 Miller MC-85 to I-10 & Monroe Ave. Miller Rd. to Eason Ave.

BENEFITS:

The benefits of the project will be the installation of conduit and fiber optic cable along Miller Road from Pima Street South to MC-85 (Monroe Avenue) and Monroe Avenue from Miller Road East to Eason Avenue, including the connections to 13 existing traffic signals. The Transportation Program within the Program Management Office (PMO) will be able to manage the 13 traffic signals from the Transportation Management Center (TMC) located at City Hall East at The Landing.

FUTURE ACTION:

There is no future action for City Council associated with the approval of Amendment No. One to an existing IGA. Upon the completion of the construction associated with this Amendment No. One to an existing IGA, the City's Public Works Department will assume maintenance of the ITS fiber installed along Miller Road from Pima Street south to MC-85 (Monroe Avenue) and Monroe Avenue from Miller Road East to Eason Avenue, including the connections to 13 existing traffic signals. The Transportation

Program within the Program Management Office (PMO) will be able to manage the 13 traffic signals from the Transportation Management Center (TMC) located at City Hall East at The Landing.

FINANCIAL IMPACT STATEMENT:

Amendment No. One to the IGA increases the city's share for construction funding for the IGA with ADOT from \$82,538 to \$110,401. The project's budget has sufficient funding for this Amendment.

CURRENT FISCAL YEAR TOTAL COST:

The Amendment No. One to the IGA increases the city's share for construction funding for the IGA with ADOT from \$82,538 to \$110,401. The project's budget has sufficient funding for this Amendment.

BUDGETED:

Yes

FISCAL YEAR:

FY26

FUND/DEPARTMENT:

GL 50213170-543184

Items related to a project or facility location must include an attached vicinity map for Council Review.
