**Legislative Board:** City Council  
**Date:** April 7, 2026  
**Contact:** Angela Kennedy, Director  
**Agenda Item ID / Number:** 2026-273- / J.1

**ITEM TITLE:** Public hearing, deliberation and possible action to adopt an Ordinance on first and final reading and to adopt said Ordinance amending the 2020 Buda Transportation Mobility Master Plan (TMMP) to include updated roadway cross-sections and cost estimates (Director of Development Services / City Engineer Angela Kennedy, P.E., CFM) [PUBLIC TESTIMONY]

## 1. EXECUTIVE SUMMARY

The objective of this 2026 update to the City of Buda's Transportation Mobility Master Plan is to revise portions of the 2020 TMMP, including updated cost estimates for existing projects, provide estimates for newly proposed projects, recommend revised roadway cross sections for streets impacted by the TXDOT turnback, and resolve all conflicts between the TMMP and the City's Engineering Transportation Criteria Manual such as design speeds and roadway typologies. These updates are shown in the attached updated TMMP map and project table.

## 2. BACKGROUND/HISTORY

The City of Buda Transportation Mobility Masterplan (TMMP) was adopted in 2020. Most recently, updates to the TMMP were presented to City Council in a workshop at the January 20, 2026 meeting. The workshop presented new project costs and typical sections from the 2020 TMMP. The update also includes the removal of completed projects, new proposed projects, and refined regional projects. As part of this effort, the following steps were accomplished on the dates listed:

- Summer 2024 Mobility Committee briefed on need to update TMMP
- September 3, 2024, City Council asked to support contract to update the TMMP cost estimates, add new projects, revise typical sections, resolve conflicts with TMMP and TCM
- September 4, 2024, WSB contracted to update typical sections and update cost estimates
- January 28, 2025, Mobility Committee Discussion and Update
- May 19, 2025, Mobility Committee Discussion and Update with preview of new projects added
- September 11, 2025, Virtual and In Person Open House
- January 20, 2026, City Council Workshop

## 3. ANALYSIS

The objective of this 2026 update the City of Buda's Transportation Mobility Master Plan is to revise portions of the 2020 TMMP, including to update cost estimates for existing projects, provide estimates for newly proposed projects, recommend revised roadway cross sections for streets impacted by the TXDOT turnback, and resolve all conflicts between the TMMP and the City's Engineering Transportation Criteria Manual such as design speeds and roadway typologies. These updates are shown in the attached updated TMMP map and project table. An interactive GIS map of the updated 2026 TMMP can also be viewed here: [Transportation Mobility Master Plan 2026 Draft](#)

## 4. FINANCIAL IMPACT

The contract with WSB LLC to provide these updated to the TMMP had a maximum value of \$81,162 supported by Professional Services Account GL Code 100.4315.54004. The updated cost estimates provided by WSB will ensure that the city can appropriately plan to implement these

projects in the future and to sufficiently negotiate cost participation for project sponsored by developers or other public agencies.
