

## STAFF REPORT

**Report To:** Carson Area Metropolitan Planning Organization      **Meeting Date:** August 12, 2026

**Staff Contact:** Darren Schulz, Public Works Director

**Agenda Title:** For Possible Action – Discussion and possible action regarding the distribution of up to \$201,500 in Federal Surface Transportation Block Grant (“STBG”) funds to Douglas County for the Jacks Valley Road / Arcadia Drive Crosswalk Improvement Project (“Project”). (Chris Martinovich, Transportation Manager)

**Agenda Action:** Formal Action / Motion      **Time Requested:** 10 minutes

---

### **Proposed Motion**

I move to distribute \$201,500 in STBG funding to Douglas County for the Project.

### **Board's Strategic Goal**

N/A

### **Previous Action**

March 11, 2026 (Item 5.B) – The Carson Area Metropolitan Planning Organization (“CAMPO”) Board distributed \$1,226,000 in available STBG funding to the Carson City Regional Transportation Commission (“RTC”) and requested staff continue to work with local agencies regarding the use of any remaining STBG funding.

### **Background/Issues & Analysis**

STBG funding is available to CAMPO through an interlocal agreement with the Nevada Department of Transportation (“NDOT”). Staff had been coordinating with NDOT regarding available STBG funding resulting from increased federal apportionments and excess funds available following the completion of past projects. To utilize the STBG funding, CAMPO staff released a Call for Projects on January 10, 2026. Applications were open for submittal until February 19, 2026, and the Carson City RTC responded with two project applications, which were approved for funding by CAMPO at the March 11, 2026, meeting. The total amount awarded to the RTC was 1,226,000.

At the time of the March CAMPO meeting, CAMPO staff understood that approximately \$2,000,000 in STBG funding was available based on coordination with NDOT’s Planning and Financial Management Divisions; therefore, the CAMPO Board directed staff to continue to coordinate with local agencies to distribute the remaining STBG funding. Through that continued coordination, Douglas County identified one additional project, a crosswalk improvement project on Jacks Valley Road (“Project”). The Project is supported by the Douglas County Safe Routes to School Action Plan, the CAMPO Regional Transportation Plan (Project DO.11), and the CAMPO Local Road Safety Plan, and it meets

several of the CAMPO project prioritization goals, including safety, mobility, and quality of life.

The Project is seeking a total of \$201,500 in STBG funding. Subsequent coordination with NDOT to confirm the amount of STBG funding, as well as a review of programmed STBG projects with Carson City and Lyon County, identified that approximately \$191,500 is currently available for programming, less than the amount originally assumed. STBG funding is expected to be allocated to CAMPO in Federal Fiscal Year 2027 and in future fiscal years, most of which is already programmed for possible projects in Douglas County; therefore, staff recommend awarding the funding to Douglas County for the Project and do not anticipate needing to reduce this request or to alter any past awards. There will be sufficient STBG funding available for this Project once construction is planned to occur. If the full STBG is not available, additional local funding will be required, or other federal sources could be used, including Transportation Alternative Program funds or Carbon Reduction Program funding. If awarded the funding, CAMPO will amend the Transportation Improvement Program to add the Project.

**Applicable Statute, Code, Policy, Rule or Regulation**

CAMPO Policies & Procedures, 23 U.S.C. 133

**Financial Information**

**Is there a fiscal impact?** No

**If yes, account name/number:**

**Is it currently budgeted?** No

**Explanation of Fiscal Impact:** STBG is made available to CAMPO through an agreement with the Nevada Department of Transportation (“NDOT”). CAMPO distributes and awards funding to member agencies, who then coordinate with NDOT to execute Local Public Agency agreements for specific projects.

**Alternatives**

Do not approve granting the STBG funding to Douglas County and provide an alternative direction to staff.
