Background/Issues & Analysis

The C-Hill Foundation is a nonprofit organization dedicated to the preservation and maintenance of the iconic American flag on the face of C-Hill. Originally constructed following 9/11 as a symbol of patriotism, after more than 20 years the flag was in disrepair and needed restoration. Through the amazing efforts of the C-Hill Foundation, generous donations of time and money from the community, and the Foundation for Carson City Parks and Recreation (FCCPR) who acted as the fiscal agent, the flag now has a new visage. Open Space staff are so thankful for the hard work of the C-Hill Foundation, FCCPR and the generosity of the community to make this important project happen.
