August 1, 2024 (Item 11b) - The Board of Supervisors approved the Carson City 2024 Language Access Plan

Background/Issues & Analysis

AB 266 (2023), materially codified at NRS 244.184, requires Carson City, along with all other Nevada counties, to produce and submit a Language Access Plan to the Governor's Office for New Americans on a biennial basis, beginning August 1, 2024. The law requires Carson City to outline its compliance with state and federal law where it concerns language services, provide an inventory of language services currently provided by the City and provide an inventory of the training and resources provided to employees of the City who serve residents who are persons with limited English proficiency. This 2026 edition is Carson City's second LAP submission.
