Motion Type	Simple Majority Vote of members present
Strategic Priority	Asset Management

SUMMARY

Local Trail Connection Grant Program Overview

The Local Trail Connection grant program is intended to support the development of local trails that connect where people live to significant public resources. Grants can be used only for the construction of trail segments. Costs for design and engineering for the project are the responsibility of the city. The maximum grant that can be requested is \$250,000 and the city is expected to provide at least a 25% match. Grant awards are anticipated to be announced in June of 2023. Work on the project cannot begin before a contract is in place, which will occur no earlier than July 1, 2023. Projects must be completed by June 30, 2025.
