## **SUMMARY**

Letters were sent on Thursday, June 20 to all property owners along the 4th of July parade route to notify them of the parade date, time, route, and staging areas of this year's parade. Letters included a map of this year's route. Letters were also sent to all property owners along the former parade route whose properties are no longer on the route this year.

## **BACKGROUND**

Prompted by traffic safety concerns with the historical parade route and 2024 road projects in the downtown area, a new route was developed for the Annual Fourth of July Parade.
