SUMMARY

The O.G. Coffee and Wine Bar has requested a temporary event permit for a Sip and Shop event. The event would be held Saturday, October 3, 2026 between the hours of 10:00 a.m. and noon.

BACKGROUND

The O.G. Coffee and Wine Bar has requested a temporary event permit to host an Autumn Sip and Shop. They are coordinating with The Edge to promote local artisans and small businesses. Vendors will have a pop-up tent and tables for their merchandise. The expansion of the patio is contiguous with the current placement of the patio, but would move into the parking spaces outside the business. The map is attached. The owner, Ms. Julie Jost, has approval from the building owner for the event.

DISCUSSION

In order to expand liquor service beyond the current licensed premises to include the east parking lot, The O.G. Coffee and Wine Bar is requesting the City Council grant a temporary modification to the licensed premises to include the south parking lot as shown on the attached map with the following conditions:

1. The applicant must apply for and receive a permit through the temporary outdoor event permit from the city for the expanded seating area.
2. The applicant must provide a specific diagram of the area in which the temporary modification to the licensed premises is to occur. The diagram must indicate how the area will be physically enclosed and the location of tables, chairs, food and beverage stations, and any other important features.
3. The applicant must submit proof of the necessary liquor liability insurance coverage for the expanded serving area.

The applicant needs to provide an updated Certificate of Insurance for liquor liability for the event.
