City Council Item

May 19, 2025

Item	Approve Purchase of Networking Equipment for the New City Hall	
File No.		**Item No:** D.6
Agenda Section	**CONSENT AGENDA**	
Prepared By	Rick Rice, IT Manager	
Reviewed By		

SUGGESTED ACTION "The Chanhassen City Council approves the quote from Computer Integrated Technology for network hardware for the new City Hall."	
Motion Type	Simple Majority Vote of members present
Strategic Priority	Operational Excellence

SUMMARY

Accept and approve the quote from Computer Integrated Technologies for networking equipment for the new City Hall facility.

BACKGROUND

The existing city hall utilizes two network chassis switches and four rack mounted switches for connecting servers, storage and end user equipment. Planned upgrades for this equipment were cancelled in anticipation of purchasing new equipment for the new facility. As part of the transition plan, the networks in both buildings will be interconnected, allowing users to easily move to the new facility. Some network equipment from the old facility will be salvaged for use in a test environment and for spares.

DISCUSSION

BUDGET

RECOMMENDATION

Staff recommends that the City Council approves the purchase of networking equipment from Computer Integrated Technologies for the amount of $95,639.12.
