SUGGESTED ACTION

"The Chanhassen City Council approves a resolution agreeing to a license for utility to cross public waters as required by the Minnesota Department of Natural Resources related to the public watermain as part of the Highway 5 Improvement Project."

Motion Type	Simple Majority Vote of members present
Strategic Priority	Asset Management

SUMMARY

The MN DNR has determined that a license is needed for the watermain along Highway 5 due to its proximity to public waters.

BACKGROUND

N/A

DISCUSSION

This action is routine in nature, but the license is in essence, a contract and therefore needs City Council approval. The resolution is authorizing the City's Public Works Director to sign the license on behalf of the city.

BUDGET

N/A

RECOMMENDATION

Staff recommends approval of the license and grant of signing authority to the Public Works Director.
