SUGGESTED ACTION

Motion Type	Simple Majority Vote of members present
Strategic Priority	Asset Management

SUMMARY

The recent CSAH 18 (Lyman Blvd) project completed by Carver County has created the need for an ownership and maintenance (O&M) agreement between the cities of Chaska and Chanhassen. 82nd Street West falls partially within both cities municipal boundaries. The O&M obligations of each entity are outlined in the attached Joint Powers Agreement (JPA).

This agreement will be presented to the City of Chaska City Council for approval simultaneously with Chanhassen's Council approval.

BACKGROUND

This agreement covers 82nd Street West both east and west of Highway 41. No previous formalized agreement for the O&M of 82nd Street West exists that either party could find.

DISCUSSION

Chaska will take sole responsibility for the routine maintenance of the street, performing duties such as snow removal, pothole patching, striping, etc.

When a major rehabilitation project is needed, Chaska will lead that effort, but Chanhassen will be responsible for 50% of the costs.

These roles align with how the cities currently maintain the street.

RECOMMENDATION
