SUMMARY

Terry Jeffery, District Administrator for the Riley Purgatory Bluff Creek Watershed District (RPBCWD), will present an overview of the proposed District-led regional stormwater management project.

Information about the project can be found on the District's website here:
North Lotus Lake Park Project - Riley-Purgatory-Bluff Creek Watershed District

The project improvements will be located on city owned land (North Lotus Lake Park) and thus an agreement will be necessary for them to implement the project. Mr. Jeffery gave a presentation to the City's Parks & Recreation Commission on July 22, 2025. A copy of that presentation is attached.

The project is currently in the concept design phase.
