## **SUMMARY**

The City of Chanhassen, on behalf of its Prosecuting Attorney, desires to enter into Joint Powers Agreements with the State of Minnesota, Department of Public Safety, Bureau of Criminal Apprehension (BCA) to use systems and tools available over the State's criminal justice data communications network for which the city is eligible. The Joint Powers Agreements (JPAs) further provide the city with the ability to add, modify and delete connectivity, systems and tools over the five-year life of the agreement and obligates the city to pay the costs for the network connection.

## **BACKGROUND**

Renewal of the JPA is required every five years by the BCA. The Joint Powers Agreement allows the city prosecutor access to necessary systems and tools available over the DPS Criminal Justice Data Communications Network (e-charging; computerized criminal histories; etc.). Likewise, the Court Data

Services Subscriber Amendment to CJDN Subscriber Agreement (“Court Amendment”), allows the City Attorney access to certain BCA systems and tools related to access and submission of court records utilized by the City Prosecutor, such as MNCIS (Minnesota Court Information System), and Odyssey (a statewide court management database system).
