SUMMARY

The 2024 Trail Improvement Project includes multiple distinct trail improvement locations within the city; this contract includes the Chanhassen Nature Preserve site and the Stone Creek site. The existing trail in these areas is proposed to be reclaimed and the gravel generated will be reused under the repaved trail (i.e. full-depth reclamation). New bituminous trail will be paved in the same locations to re-establish the trail surface.

BUDGET

The Public Works Department solicited quotes for a full-depth rehabilitation overlay of these two trail improvement sites. Two quotes were returned, as summarized below. GMH Asphalt Corporation was the low quote.

Chanhassen Nature Preserve Site

GMH Asphalt Corporation	\$34,484.80
Northwest Asphalt	\$40,901.50

Stone Creek Site

GMH Asphalt Corporation	\$25,632.75
Northwest Asphalt	\$30,283.05

The total project budget is \$93,000. These two projects combined total \$60,117.55. GMH has performed other paving work for the City previously and has completed the work satisfactorily.

RECOMMENDATION

Staff recommends awarding a contract for the 2024 Trail Improvement Project to GMH Asphalt Corporation.
