SUMMARY

Kerber Boulevard is the only street in the City of Chanhassen that allows overnight parking for commercial vehicles. The length of time that parking is permitted on the street is currently limited to 48 hours by City Code Section 12-53. The City Council has the authority, by City Code Section 12-13, to designate no parking, stopping, or standing zones by resolution. These limitations can be placed on any public road. The no parking designation can be limited to certain hours (i.e. overnight) or it can apply at all times.

BACKGROUND

Commercial vehicle parking is a topic that has previously been addressed at a City Council Work Session on September 25, 2023. See enclosed meeting minutes for reference.
