City Council Item

July 14, 2025

Item	Approve Contract for Annual Sanitary and Storm Sewer Televising	
File No.	26-04	**Item No:** D.8
Agenda Section	**CONSENT AGENDA**	
Prepared By	Mackenze Grunig, Project Engineer	
Reviewed By	Charlie Howley	

SUGGESTED ACTION

"The Chanhassen City Council approves a contract for Sanitary and Storm Sewer Televising Project No. 26-04 with Pipe Services for a not-to-exceed amount of $38,242.40."

Motion Type	Simple Majority Vote of members present
Strategic Priority	Asset Management

SUMMARY

BACKGROUND

DISCUSSION

Sanitary sewer televising consists of cleaning out the sanitary sewer and recording video of the lengths of pipe in the upcoming city project areas. Storm sewer televising will only consist of cleaning operations when the pipe has sufficient debris that inhibits the camera from continuing down the line being inspected. The contractor will report the deficiencies observed during the video examination of the pipes.

The City of Chanhassen put out a request for quotes to seven contractors on June 27, 2025. Five quotes were received. Quotes were reviewed based on the total amount for mobilization, sanitary sewer

televising and cleaning, and storm sewer televising. Based on the unit prices from the quotes received, staff finds the quotes to be reasonable given the work to be completed. The low bidder, Pipe Services, has completed similar work for the City of Chanhassen previously and their work was acceptable.

BUDGET

Funding for this work has been budgeted for in the Capital Improvement Plan (CIP), Project SS-012, and Project ST-012. $25,939.33 of the funding will come from SS-012 for the portion of sanitary sewer televising and cleaning associated with the contract, and $12,485.07 of the funding will come from ST-012 for the portion of the storm sewer televising.

Staff is proposing a not-to-exceed contract for 110% of the low bid, or $38,424.40, in the event unexpected emergency services or quantity overruns are required.

RECOMMENDATION

Staff recommends approving the sewer televising contract.
