City Council Item

March 10, 2025

Item	Market Blvd Improvements - Follow up discussion	
File No.	25-02	**Item No:** A.3
Agenda Section	**5:30 P.M. - WORK SESSION**	
Prepared By	Charlie Howley, Director of Public Works/City Engineer	
Reviewed By	Laurie Hokkanen	

SUGGESTED ACTION Discussion	
Motion Type	N/A
Strategic Priority	Asset Management

SUMMARY

For City Council consideration, attached are the following:

1. A preliminary layout for the 2025 construction scope (Market Blvd. & West 78th St. intersection)
2. Additional layouts as requested, including a summary list of the pros and cons for each:
    a. Full size single lane roundabout at Market St.
    b. Full size roundabout with slip lane to Market St.
    c. Full size dual lane roundabout at Market St.
    d. Single lane Traffic signal at Market St.
    e. Double lane traffic signal at Market St. (with median)
    f. Double lane traffic signal at Market St. (no median)
3. A memo from the ownership group of Market Square (MSALP)

Staff will give a brief overview of the above and look for comments from the Council.
