BACKGROUND

The property owner of 8201 Main Street, (The Church of St. Hubert) desires to construct a fence located within an existing public drainage and utility easement. The property is legally described as Lot 1, Block 2, Villages on the Ponds. Since the improvements encroach within the easement that covers an active public utility, an Encroachment Agreement (EA) is needed to document that the property owner is fully responsible for any replacement of improvements due to city maintenance activities.

DISCUSSION

The attached EA was drafted by the City Attorney's office and is signed by the property owner. Upon city approval and execution, the EA will be recorded against the property.
