## SUMMARY

The Chanhassen Athletic Association (CAA) is a parent and adult-led organization that has administered youth sports programs in the community for over 50 years and has been a long-standing partner with the City of Chanhassen in improving local athletic facilities. Continuing this partnership, CAA is providing a second donation toward a two-part project to improve the ballfields at Lake Ann Park. This donation will fund infield reconstruction at fields 1, 2, and 3, enhancing the quality of the playing surfaces and the overall experience for youth participants and other field users. Field reconstruction will ensure that Lake Ann Park remains an enjoyable destination for our local athletes and user groups for years to come. Thank you, CAA, for your generous support!
