"The Chanhassen City Council adopts a resolution authorizing the purchase of a replacement security camera video recording server ."

Motion Type	Simple Majority Vote of members present
Strategic Priority	Asset Management

SUMMARY

This is a planned replacement for the security camera video recording server for utilities. The current server runs on Windows 10, which is at end of life for support, and the server cannot be upgraded. The total cost of replacement is $20,338.62. Pro-Tec Design is part of the state contract pricing agreement, so no secondary quote is required. Prices increase for the cost of this server on March 1, 2026.
