SUMMARY

The City of Chanhassen would like to extend its sincere appreciation to Old National Bank for their patience, cooperation, and partnership throughout the Civic Campus and the new City Hall construction project. Your understanding and flexibility during this transformative period have been instrumental in allowing the City to enhance public services and create a modern, accessible campus for our community.

We recognize that construction activity can bring disruptions, and we are truly grateful for your continued support, positive attitude, and commitment to working together. Your collaboration helped ensure the project's success and reflects the strong community spirit that defines our city.

Thank you for being a valued partner in this important chapter of our community's growth.

Cindy Nash, Banking Center Market Manager, will be present at the meeting representing Old National Bank.
