

SUBJECT:

**First Amendment to Agreement with Bennett
Fire Products Company for Structural
Firefighting Boots.**

MEETING DATE:

May 2, 2023

SUBMITTED BY:

Amy Scott

SUGGESTED ACTION:

Consider approval of First Amendment to Agreement with Bennett Fire Products Company establishing pricing of \$528.00 per pair of Structural Firefighting Boots for year four (4) of the agreement.

FACTS AND ISSUES:

Cherokee County awarded a five (5) year contract to Bennett Fire Products Company for structural firefighting boots on December 17, 2019, with fixed pricing of \$410.00 per pair of boots for years 1-3. Years 4-5 were to be adjusted by comparing against the Producer Price Index. Bennett Fire Products Company provided a quote for year four (4) pricing. The Procurement Department identified the government index on the Federal Reserve Economic Data site for \$527.59, Index code PCUOMFGOMFG. The price change from year two (2) through January 2023 was 28.7%. The Bennett proposal price of \$528.00 per pair represents a 28.8% increase which is only \$0.41 per pair over what the price index said it should be.
