

Cherokee County, Georgia
Agenda Request

Item # 12.2

SUBJECT:
Coroner's Office Vehicle Purchase.

MEETING DATE:
July 18, 2023

SUBMITTED BY:
Tye Beavers

SUGGESTED ACTION:

Consider approving the purchase of one (1) used Chevrolet Suburban or Chevrolet Tahoe for the Coroner's Office at a not-to-exceed cost of \$60,000.00.

FACTS AND ISSUES:

The Coroner's Office is in need of an additional transport vehicle, preferably a Chevrolet Suburban or Tahoe. Their intent is to purchase a new or slightly used vehicle that will meet their requirements. Since used vehicles are still selling quickly, the Procurement Department may need to be able to move quickly to secure the unit once a viable vehicle is located. Procurement will coordinate with the Coroner's Office to ensure suitability and obtain competitive bids to ensure the best value for the County.

Funding for this purchase will come from the Coroner's FY2023 budget.
