SUGGESTED ACTION:

Consider approval for the purchase of repairs and replacement of three (3) gates at the Adult Detention Center from Overhead Door Company of Atlanta, in the amount of \$75,420.00 and a corresponding budget amendment.

FACTS AND ISSUES:

The Adult Detention Center is needing to repair and replace of three electronic gates; quotes were received as follows:

1. Overhead Door Co - \$75,420.00
2. The Gate Door - \$73,978.61.00
3. Georgia Automated Access - not available

The Sheriff's Office recommends awarding to Overhead Door Company as they are familiar with the ADC and performed satisfactorily on prior projects. The funding for the work will come from the Jail Fund 271 which is a dedicated funding source for repairs and maintenance of the ADC.

A Budget Amendment is required to allocate available fund balance to the expenditure.
