

SUBJECT:

CATS DHS FY24 contract renewal application.

MEETING DATE:

March 7, 2023

SUBMITTED BY:

Kristy Johnson

SUGGESTED ACTION:

Consider approval to transmit DHS FY24 contract application in the amount of \$410,000.00 with a maximum County match in the amount of \$2,605.29 to renew DHS funded service and authorize the Chairman to execute the agreement if accepted by DHS.

FACTS AND ISSUES:

The Georgia Department of Human Services (DHS) provides operating funds to the CATS demand response system that provides transportation for Empower Cherokee, the Cherokee County Senior Services Center, Department of Family Services, and Vocational Rehabilitation. Those Federal funds are awarded to DHS by FTA.

The application for FY24 is for a maximum of \$410,000. Cherokee County's maximum responsibility for matching funds under this agreement would be \$2,605.29 and are included in CATS annual operating budget.

Cherokee County will submit the application to DHS for their review and approval. If approved by DHS, the Chairman will execute the agreement on the County's behalf.
