SUGGESTED ACTION:

Consider request from Engineering Department to award a construction services agreement to Colditz Trucking, Inc., the low bidder, for construction of the Damascus Road at Upper Bethany Road Intersection Improvement Project, in the total amount of \$1,070,921.52.

FACTS AND ISSUES:

Damascus Road and Upper Bethany Road are rural, local roadways located in the northern portion of Cherokee County, near the Pickens County line. The intersection of these two roads lacks adequate sight distance and presents a potential safety issue. This project includes intersection reconstruction which will address those issues.
