**SUGGESTED ACTION:**

Consider approving the list of surplus County vehicles and miscellaneous equipment and parts for auction by Jeff Dobson and Associates on April 27, 2024.

---

**FACTS AND ISSUES:**

Fleet Services has worked with the various County departments to surplus old and/or obsolete vehicles to be placed in a public auction managed by Jeff Dobson and Associates. The surplus list includes 40 vehicles and eight (8) piece(s) of equipment and/or parts. Jeff Dobson and Associates receive 0% commission on vehicles and 10% commission on equipment and parts. The Risk Management department has reviewed the list and prepared the titles and bill of sales for the vehicles and will retire the vehicles after the auction is completed.

The contract with Jeff Dobson and Associates was issued in January 2022 and runs through calendar year 2024.
